The Andhra Pradesh State Developmental Planning Society (APSDPS) is to provide granular Weather data at regular intervals to the Department of Agriculture and accordingly, claims against each parameter/peril shall be calculated.

In case of any dispute/abnormality observed in the weather data captured through Automatic Weather Stations, resulting higher claims, the yield data obtained through general CCEs will also be correlated for settlement of claims.

Crop wise Term sheets are tabulated from Statement I-A to Statement VIII-B (Kharif), Statement IX-A to Statement XII-C (Rabi). The State Government settle all the eligible claims & remit the claim amount directly to the Aadhar Linked bank account of concerned farmers.
